

## Introduction

The **EzyFrame Vintage Background 2 x 2.3m (6.5' x 7.5')** is a large format collapsible background concept offering a much larger shooting area for our highly successful vintage textured background surfaces, currently available as 1.5 x 2.1m (5' x 7') collapsible 'pop-up' style backgrounds. The extra width and height combined with the squarer format offers a substantially increased surface area allowing the photographer to pose multiple subjects and the use of props. Ideal for family portraits, more animated action poses, fashion and commercial shoots.
